

## **Partnership with parents**

All Staff at Trinity School Wrap Around Care have a duty of care to the children for whom they are responsible. If there are any concerns regarding the welfare of a child, then the Safeguarding Lead Mrs O'Connell will deal with the concerns following the Trinity School Safeguarding Policy and procedures.

The provision aims to provide high quality out-of-school hours childcare for parents. We provide a range of stimulating and creative activities in a safe environment and we firmly believe that in working closely together with you – the family – we can give your child the very best in provision.

Each session at After School Club the children will be registered and will then be offered a snack and a drink. After this the children will be able to enjoy quiet activities, creative play, imaginative play and small and large construction along side all the “experiences” that we offer.

The setting is committed to inclusion and ensures that the necessary provision is made for every child. The setting welcomes a diversity of culture, religion and ability and strives to meet the needs of all young people so they all play a full part in the setting.

Should you have any concerns/complaints, these should be addressed to the Manager. If you are not satisfied with the outcome you may contact CEYS (Childcare and Early Years Service) at [CEYS@gov.je](mailto:CEYS@gov.je).
