Trinity School's Digital Acceptable User Policy

- I will log on using **only my** username and password and will always log off properly.
- I will only use websites and apps appropriate for my age.
- I can share my school password with my parents and teachers but not my friends.
- I will use the internet wisely and for school purposes only.
- I will be careful when typing words into a search engine, making sure the words are appropriate.
- I will only download from the internet with my teacher or parent's permission.
- When sending messages, I will be kind and positive.
- I WILL NOT use my school email address to sign up to any websites.
- I will think carefully when sharing information about myself. I WILL NOT share personal information.
- I will tell my parents, teachers or a friend if I'm unsure or worried about something on a device or internet.
- If I receive a message from someone I don't know, I will tell my teacher straight away and I **will not** reply.
- I will treat all of the devices and computers with respect.

REMEMBER: ALL INTERNET ACCESS IS MONITORED.

Please sign each year to agree to our school's digital AUP.

Year 1 _____ child _____ parent

Year 2 _____ child _____ parent

Year 3 _____ child _____ parent

Year 4 _____ child _____ parent

Year 5 _____ child _____ parent

Year 6 _____ child _____ parent

All adults should do what is in the best interests of the child.

You have the right to get information from computers and adults should make sure that the information you are getting is not harmful, and help you find and understand the information you need.

United Convention on the rights of the child - articles 3 and 17.
